Treasury Department

Oct 10 1855

Sir

The bills audited in your letter of the 8th inst have been referred for settlement in your favor except that of N. Trotter which is not receipted - which will be settled in his favor and the draft sent to your care.

Perhaps the best disposition of the printed reports will be for you to take out as many copies as you may wish to distribute and send the balance in convenient sized packages through the mail to my address. They can be distributed hence under the frank of the Department by mail. If you desire any to be so sent to any particular person, please state to whom.

Very respectfully
your obed't Serv't
